NOMA launches regional economic development plan backed by NPI research.

Last month, NOMA released their Regional Economic Development Plan for Northwestern Ontario, which included fifteen strategic goals for the region. Eight of these goals were backed by NPI research, including 2+1 highways and high-speed internet and cellular connections.

Read NOMA's full plan [here](#).

For more information on the NPI research that supported these goals, take a look at [Closing the Gap: How 2+1 Roads Can Save Time, Lives, and Taxpayer Dollars](#) and [Northern Connections](#).

How to use CDP Data to help your community

Have you ever wanted more information on the Community Data Program or wondered how CDP data was used in Northern Ontario?

A recent presentation by NPI's Lead Researcher, William Dunstan shares insight on how CDP Members in Northern Ontario use CDP data.
